Undergraduate Module Outlines

Below are Module Outlines for Undergraduate Sociology 2025/26

Please note: Module outlines for the Academic Year 2025/26 are currently being updated and may be subject to change.

While the modules and module descriptors are set out below as accurately as possible, additions or removals of available modules, and changes of module content, instructors, and assessment procedures are often unavoidable because of changes in staff availability, resource constraints, and other pressures. Thank you for your understanding.
